Dear Hiring Manager,  
**RE: Teacher Teaching On Call**

I am extremely interested in working as a Teacher Teaching On Call for School District 5 (Southeast Kootenay). I feel as though School District 5 would provide me with the perfect balance of meaningful employment and recreational activities. I enjoy many adventure activities and would feel right at home amongst your mountain, clean lakes, forested hillsides, and wide-open spaces. As a TTOC I would be allowed to explore five different communities heavily influenced by their stunning backcountry, innovative art, and resource-based industries. I hope that I would be able to help support your school district's vision of providing equitable and high-quality educational opportunities in a safe, supportive environment. This would be accomplished by fostering authentic relationships with students, parents, and the surrounding community.

I have completed two bachelor's degrees through Thompson Rivers University: a Bachelor of Science with a Chemistry Major and a Bachelor of Education (secondary) STEM. My passion for teaching began to develop while completing my BSc. as I was simultaneously working as a climbing coach and 1st-year Chemistry Teaching Assistant. I found both experiences extremely rewarding and gained lots of praise from students and faculty. My education at Thompson Rivers University has provided me with plenty of practical experience teaching Secondary Math/Science. In my practicums I gained experience in both long-term and short-term lesson planning, developing strong student-teacher relationships, and advanced my classroom management skills. I feel confident that my experiences have given me the flexibility you are looking for in a TTOC as I have completed practicums in Chemistry 11, Pre-Calculus 11, Math 9, Workplace Math 10, and Calculus 12. I also have a background in French Immersion and have received my B2 (a certificate indicating my proficiency by the French Government).

Thank you for your consideration for the Teacher Teaching On Call position and for reviewing my attached cover letter and resume. I feel I would be a great fit as both an educator and community member in your district. If you have any questions or concerns, please do not hesitate to contact me via telephone or email (email: sonnleitnerj112@tru.ca or tel: 250-320-0750).

Best regards,

Julia Sonnleitner
